1.0 GENERAL INFORMATION

This Request for Proposals (RFP) is issued by the Louisiana Department of Transportation and Development (herein referred to as the DOTD) to Individual Consultants/Consulting Firms interested in assisting DOTD with the implementation of Consultant Contract Post Audits. One Prime-Consultant (Consultant) shall be selected for this contract. The Consultant may not subcontract the specified services without the written agreement of DOTD.

1.1 Background

The purpose of this Request for Proposal (RFP) is to obtain competitive proposals from bona fide, qualified Proposers who are interested in providing Consultant Contract Post Audits to the State of Louisiana, Department of Transportation and Development.

1.2 Scope of Services

This position will perform final audits of consultant contracts determining the total amount payable on a contract using the supporting document.

This position will review the final contract and all supplements to the contract, schedule all billing including any sub-consultants. Then will determine audit cost based on the supporting documentation, along with adjustments for the actual experienced overhead. This audited cost is then compared to maximum limits for each part of the contract to develop Audited Billable Cost. The total Audited Billable Cost is compared to the amount paid to determine if the department has additional payments due the consultant or if the consultant owes money back to the department. This position will then prepare a written report for review by the Audit Manager, and then signed and issued by the Audit Director.

- Schedule final contract bills to have them ready for site audit.
- Prepare spreadsheet detailing Cost Billed, audited Cost, Contract Limitations, and set up for Audited Billable Cost.
- As needed may do site reviews of sample cost.

1.3 Definitions

A. Mandatory Requirements – The terms “shall”, “will”, and “must” denote mandatory requirements.
B. Permissible Action – The terms “should” and “may” denote an advisory or allowable action.
C. Agency – Any department, commission, council, board, office, bureau, committee, institution, agency, government, corporation, or other establishment of the executive branch of this state authorized to participate in any contract resulting from this solicitation.
D. Discussions – For the purposes of this RFP, a formal, structured means of conducting written or oral communications with responsible proposers who submit proposals determined in writing to be reasonably susceptible for being selected for award.
1.4 Goals and Objectives, Performance Measures and Monitoring Plan

Goal and Objectives

The following are the Goals and Objectives for this Project:

- To reduce the current back log of 60 Final Audit Requests on Consultant Contracts by 50%.
- Produce Audit Reports detailing allowable cost and amount due to/from the consultant.
- Research the Final Audit Requests to determine the size of the contract, number of partial billings, and the number of sub-consultants on the contract.

Performance Measures

The services provided by the contractor shall be evaluated to determine that these services are provided in a timely and professional manner by:

- Randy Jarreau, Audit Manager who will develop a quarterly work schedule and review all working paper and reports produced prior to reports being signed and issued by the Audit Director.

Monitoring Plan

DOTD will monitor the performance of the contractor by:

- Comparing deliverables to the quarterly audit plan.
- Reviewing for accuracy all working papers and draft reports.
- Feed back for the Consultants Audited.
