Contract No. 4400004274
State Project No. H.007350.6 (CE&I)
F.A.P. No. H007350
Hollywood Road Widening
Terrebonne Parish

Q1. How will particular overhead rates be determined for each of the classifications?

A1. All field personnel will be calculated with the field overhead rate and all office personnel will be calculated with the office overhead rate.

Q2. Does this contract require all of the listed certifications since the project description does not mention any asphalt construction?

A2. There is a temporary asphalt road therefore certificates are required.
