RETAINER CONTRACTS FOR CONSTRUCTION COST SERVICES FOR PROJECTS STATEWIDE

QUESTIONS AND ANSWERS

Q1. On advertisement for Construction Cost Consulting Services, question 7 it states:

7. Full Time Personnel on Firm's Payroll	All Personnel Domiciled in La.:	Project Specific Personnel Not Domiciled in La.:
a. Right of Way Agents	_____	_____
b. Licensed Appraisers	_____	_____
c. Total Personnel (a + b = c)	_____	_____

As construction cost consultants we do not have right-of-way or appraisers but licensed professionals that are important to the cost consulting services we provide.

I know we can't alter the form but shouldn't that question ask for architects / engineers / contractors, etc?

A1. Due to an error in the form, you may alter (one time) to conform to your needs more appropriately. Please see example below.
