RE: Selection Justification
Contract No. 4400026913
IDIQ Contract for the Design of Safety Projects
Project Short List

In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Lazenby & Associates, Inc., ranked number 3 on the referenced project short list.

The advertised project description provides that the scope of services is to provide engineering and related services for pre-construction activities for safety-funded projects statewide, with the majority of the work in DOTD Districts 04, 05, and 58.

Taking into consideration recently awarded IDIQ contracts for the same type of services to the first and second ranked firms on the list, as well as the need of the department to have flexibility and sufficient availability of capacity regarding these consultant services, selection of the number 3 ranked team will provide added flexibility and capacity to DOTD statewide.

For these reasons,I have selected Lazenby & Associates, Inc., number 3 on the short list.
