Project Short List

In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Michael Baker International, Inc., ranked number 2 on the referenced project short list.

The advertised project description provides that the scope of services for this contract is to provide Construction Engineering and Inspection (CE&I) services, with the majority of the work to be performed in DOTD District 03.

The shortlist identifies G.E.C., Inc. as number 1, Michael Baker International, Inc. as number 2, and Infrastructure Consulting & Engineering, P.L.L.C. as number 3 in overall rank. However, I am selecting Michael Baker International, Inc. in order to provide for maximum resource availability in District 03, as well as to ensure that the work be adequately spread across this industry for the type of work being performed.

For these reasons and as identified above, I have selected Michael Baker International, Inc., Number 2.
